Echo Of Time Vol. 30

Thirty years ago, Nancy Odenweller and a few seniors of the class of 1959 organized the first ECHO OF TIME staff and planned the initial issue. (Actually, a mimeographed edition with paste-in pictures was produced in 1937 under the title, "Twin Towers.") Echo of Time was suggested as the title and became the official name through a vote of the student body.

Since 1959, the yearbook has been published without interruption and has grown with other Ottoville tradi-

tions. The size and format have changed in those thirty years, but the yearbook remains today one of the school's most popular traditions. It is thus appropriate that credit should be given to the many students who worked on the staffs, recognizing the many hours of time and energy expended to complete each year's project. To those members of the staffs who worked so diligently to produce the best book they knew how, we dedicate this thirtieth edition of the ECHO OF TIME.

Honors Day May 17

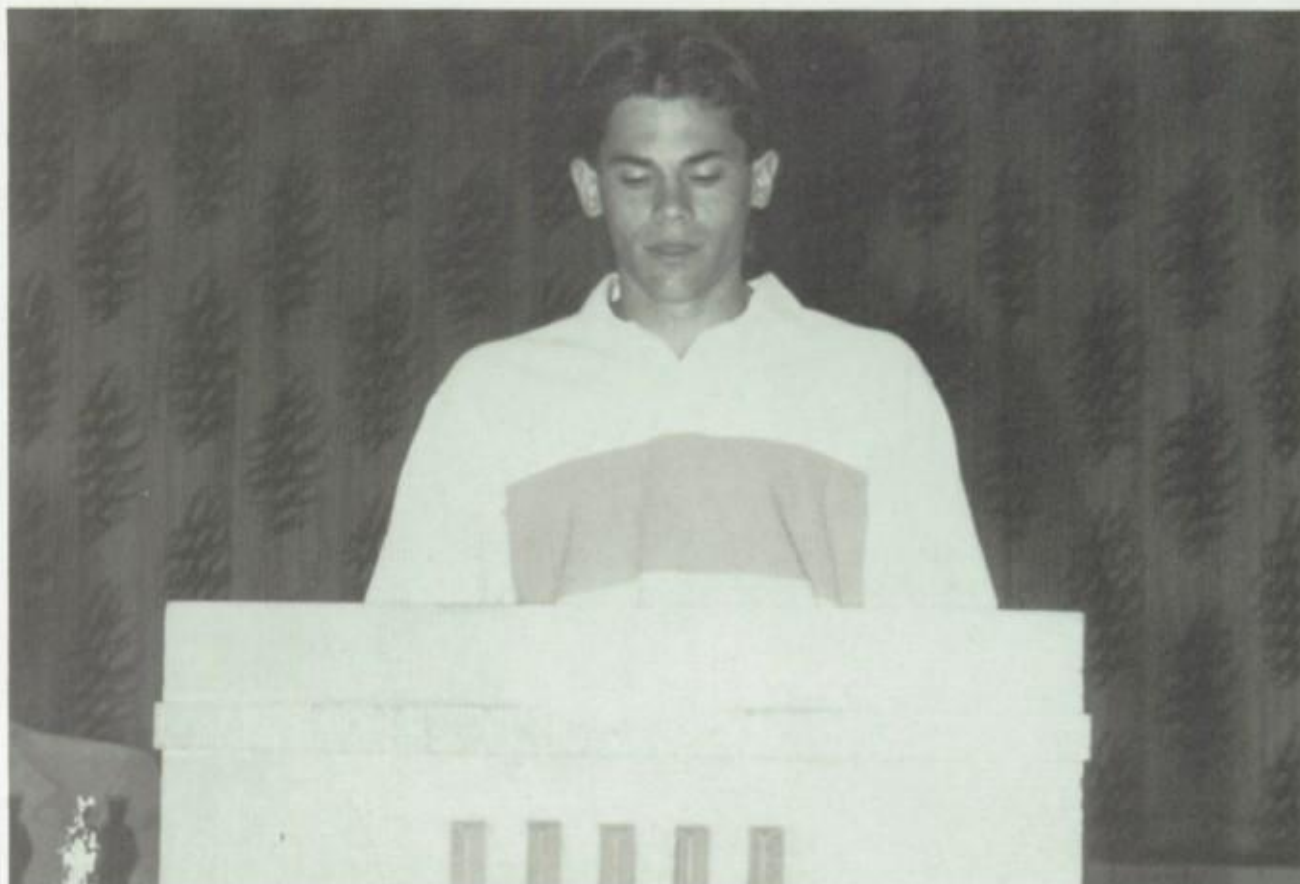

With the singing of the "Battle Hymn of the Republic," the twenty-fifth annual Honors Day Program began on May 17 at 7 p.m. As has been the custom, many certificates of achievement were given by various teachers, acknowledging students for accomplishments and service during the school year.

Julie Brickner was mentioned for winning the annual **VFW Voice of Democracy** contest. A book scholarship of \$150 went to Mary Kay Wannemacher as a result of doing well in the **BGSU "Junior of the Year"** competition.

Eleven students were issued monograms or inserts for achievement through scholarship or service. These were: Brian Miller, Diane Herman, Carmen Flores, Julie Brickner, Kelly Kaufman, Jodi Niedecken, Maria Honigford, Kevin Horstman, John

"Participation in the sports program at Ottoville is just a lot of fun. It's a lot of work also. It takes your time, you have to give up some things. Working with teammates — setting goals with teammates — these are some of the most rewarding aspects of any sports program. This is true also at Ottoville."

"The way one practices carries over to the way one plays the game"

If players practice with a lot of concentration and intensity, they will play a lot that same way in the game. It definitely affects the way one plays the game. We were happy we had a winning season (9-8), disappointed in the tournament loss after having just defeated Leipsic in season play.

OTHER SEASON ACHIEVEMENTS

Mike Taylor: Fifth in County Meet: 3200 meter run. **Pete Urton:** First in 3200 meter run; 2 seconds in 1600 meter runs. **John Burkhardt:** 1 first and 2 seconds in 300 hurdles, 1 second in 110 hurdles, 1 second place in the pole vault. **Jamie Moore:** 1 first and 2 seconds in pole vaults. **Todd Hoersten:** Fifth in County Meet in the shot put (personal best), 2 seconds in the discus. **Jeff Fischer:** 2 second places in the 400 meter run.

Few New Records Set

As a team, track and field for the Big Green boys was not as successful as one would like; however, some individuals had a fine season nevertheless. Big winner teams usually have one good quality performer in nearly all of the events, with a second performer doing well in placing high. This was a handicap this year. Even though several boys performed consistently well, the team seldom had a second performer to consistently place high in that same event.

Top scorers this year were **John Flores** (senior) 173½, **Larry Hoehn** (senior) 112½, and **Kevin Horstman** (sophomore) 43.

In nine regular meets plus the tournaments, a statistical breakdown for these boys shows the following: John Flores scored 7 first, 2 seconds in the 100 meter dash; 8 firsts, 1 second in the 200 meter dash; **COUNTY MEET**: second in 100 and also 200 meter dashes. **DISTRICT**: sec-

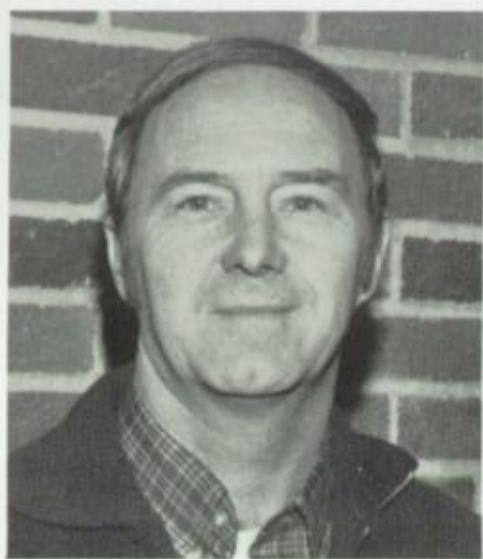

ond in both the 100 and 200 dashes — qualifying him for the regional meet. **REGIONAL MEET**: fifth in the 100 and fourth in the 200 meter dashes. (The fourth in the 200 qualified John for the **STATE MEET** in Columbus. During the year he set a new school record for the 100 meter dash (11.1) and 200 meter dash (22.88 seconds).

Larry Hoehn: 8 first places, 1 second place finish in the shot put; 5 firsts, 4 seconds, in the discus. **DISTRICT**: fourth in the shot and sixth in the discus. (The shot qualified him for the regional meet.) In **REGIONAL** competition, although not qualifying Larry for the state, he had his put career best. **SEASON**: personal best four times in the shot, three times in the discus.

Kevin Horstman: 8 firsts, 1 second, 1 third in the 1600 meter run; 1 first, 2 thirds in the 800 meter runs; 1 third in the 3200 meter run. **COUNTY MEET**: fourth in the 1600 meter run.
